Credit, Sales and Service Policies

Credit is extended as a privilege to cooperative members. East Central/Select Sires retains the right to limit or refuse credit privileges.

Obligation of Payment: Payment for purchased goods/services from EC/SS is obligated as of the date of purchase. A summary statement of reported purchase and payment activity for the previous month is prepared. Member accounts are payable upon receipt of statement.

Service Charges: A 1.5% service charge/month (18%/annum) is applied to past due balances. When the service charge is less than \$0.50, a minimum service charge of \$0.50 will be applied.

Accounting Deadline: To avoid service charges, payment in full of statement balance must be received at EC/SS headquarters or by EC/SS personnel no later than the last day of the month. Delinquency: Accounts with a balance 90 days or more past due are delinquent. These accounts are subject to "cash on delivery" for current purchases of goods/services. Discounts otherwise offered on the purchase of goods/services are denied to any member with a delinquent account.

Assignment For Collection: Accounts with a balance 150 days or more past due are assignable for collection and subject to immediate termination of service. Further privileges are relinquished.

NSF Checks: Any check received and deposited by EC/SS as payment and returned because of Non-Sufficient Funds is charged to the member. The account is also charged an NSF fee equal to charges incurred by the coop, including an administrative fee for each check returned.

East Central/Select Sires Cooperative agents or employees may have made statements about merchandise/services. Such statements do not constitute warranties, shall not be relied upon by the buyer, and are not a part of this contract for sale. Employees and agents are forbidden to give, express or provide any warranties including, but not

limited to, conception rate, quality or productivity in connection with its products. The entire contract is embodied in this writing.

East Central/Select Sires Coop expressly disclaims any responsibility of any kind with respect to the use of its products or employment of its techniques or the services of its employees or its agents. Select Sires, Inc., its member cooperatives, its agents or employees cannot and do not guarantee the conception rate, gender, quality or productivity to be obtained in connection with the use of its products or recommended techniques. It makes no warranties of any kind whatsoever, expressed or implied, which extend beyond the description of its products and hereby disclaims all warranties of merchantability and fitness for a particular purpose. In the unlikely event that any of our products shall be proven to be defective, damages resulting from their use shall exclude consequential damages and be limited to their purchase price of the product.

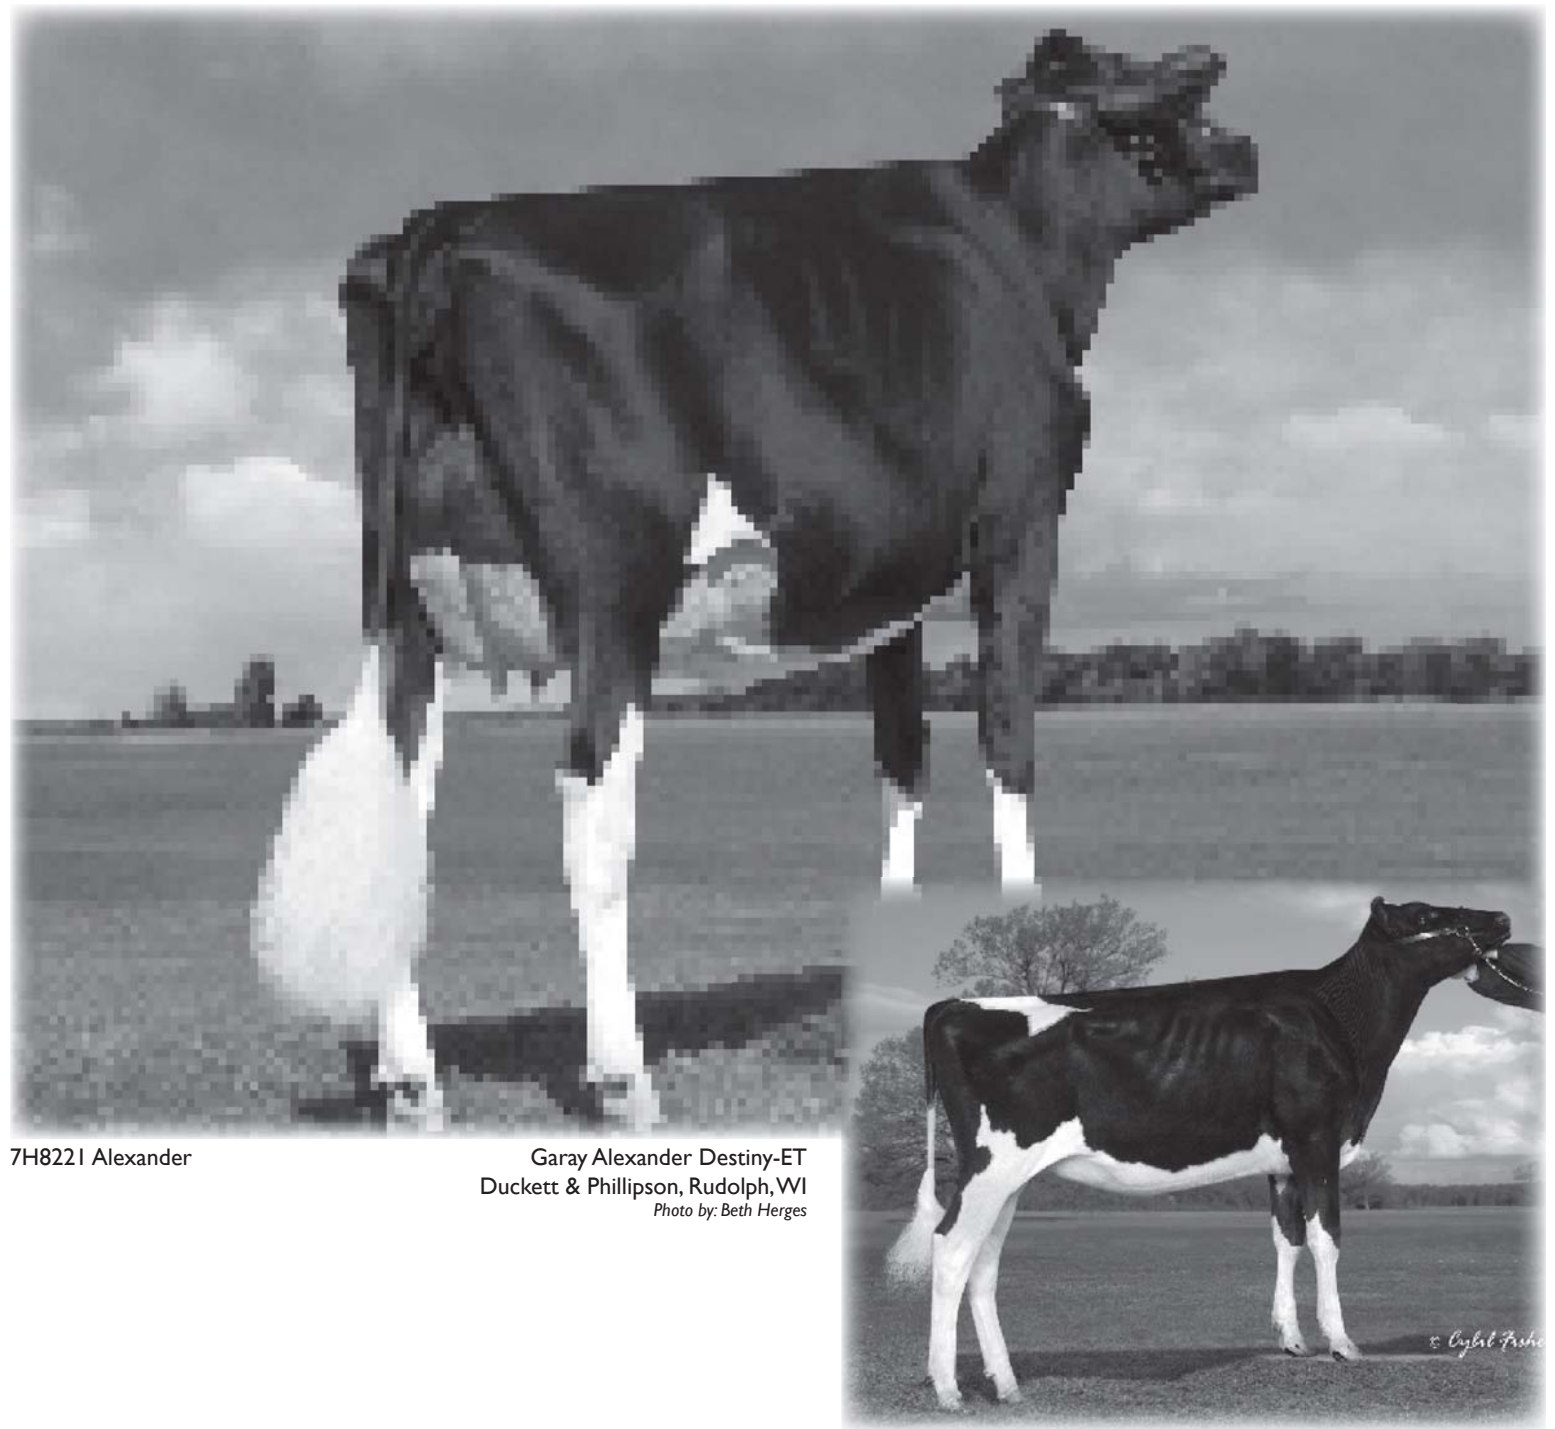

In the event that products sold by EC/SS are proven defective, the coop will, at its option and only up to two years from the date of sale, replace the product or refund its purchase price. Furthermore, the cooperative specifically limits its duty of replacement or refund to products sold and delivered by authorized East Central/Select Sires employees or agents.

GenderSelect semen processed by Sexing Technologies for Select Sires shall be used only for the single insemination of one female bovine during natural ovulation with the intent to produce single offspring unless specifically approved on an individual customer basis by Sexing Technologies in writing. This semen is produced using the proprietary technology of XY LLC and Inguran LLC, as partially represented by US Patents: 6372422, 7094527, 7208265, 7371517, 6357307, 7723116, 7758811 and 7799569.
